Note(s):

- 1) Some petitions/applications/requests approved or denied may have been received in previous reporting periods.
- 2) This report reflects the most up to date data available at the time the database is queried.
- 3) Counts may differ from those reported in previous periods due to system updates and post-adjudicative outcomes.
- 4) For a complete list of USCIS forms and descriptions, visit: <https://www.uscis.gov/forms>
- 5) While some company names may appear multiple times, USCIS does not combine companies even where the names are the same because in all cases the employer tax identification numbers are different.
- 6) Missing education means the USCIS electronic data storage system does not capture the education field.
- 7) Median salary is based on data reported by the petitioner in the petition and may include part-time employment or maybe reported inaccurately.
- 8) Because USCIS data does not include hours worked, we are unable to identify salaries earned from part-time employment.
- 9) Instead of the required degree , a beneficiary may may qualify based on a combination of education, training , and/or progressively responsible experience in the speciality that is equivalent to the completion of such a degree, and recognition of expertise in the speciality of through progressively responsible positions directly related to the speciality.
- 10) Employers without tax identification numbers in our system are excluded.
- 11) The H1-B petition may be used to sponsor an alien currently in a different nonimmigrant classification, or with no classification if outside of the U.S., for an initial period of H-1B employment(see "Initial Employment"), or to extend or charge the authorized stay of an alien currently currently in H1B status(see "continuing employment").
- 12) An employer may file an H-1B petition to sponsor an alien who currently has H-1B nonimmigrant status working for another employer or to amend a previously approved petition; These petitions are counted in the "Continuing Employment" column.
- 13) Initial employment includes both cap-subject and cap-exempt petitions.
- 14) This report only shows employers with at least 100 receipts.
