References:

¹ Includes a small number of cases updated as an administrative closure. The number of applications awaiting a decision as of the end of the reporting period.

Some actions taken on cases are not reflected in this report such as administrative closures and transfers between offices; thus the total pending counts cannot be calculated using data from previous reporting periods.

² Includes National Interest Waiver petitions.

³ Includes any I-140 that had no reason for filing listed in the system.

Notes:

1) Petitions received in one reporting period may be approved or denied in subsequent reporting periods.

2) This report reflects the most up-to-date estimate available at the time the database is queried.

3) Counts may differ from previous periods due to system updates and post-adjudicative outcomes.

4) Data is not limited by priority date for approvals.

5) Top five countries are determined by total number of receipts in FY2023 and they are India, China, the Philippines, South Korea, and Mexico.

6) This report is based on the fiscal year in which the petition was submitted to USCIS, not the fiscal year in which the petition was adjudicated. A petition may be adjudicated in a later fiscal year than it was filed.

Therefore, this report is different from other reports that are based on the fiscal year in which the petition was adjudicated.

¹ Includes a small number of cases updated as an administrative closure. The number of applications awaiting a decision as of the end of the reporting period.

Some actions taken on cases are not reflected in this report such as administrative closures and transfers between offices; thus the total pending counts cannot be calculated using data from previous reporting periods.

² Includes National Interest Waiver petitions.

³ Includes any I-140 that had no reason for filing listed in the system.

Notes:

1) Petitions received in one reporting period may be approved or denied in subsequent reporting periods.

2) This report reflects the most up-to-date estimate available at the time the database is queried.

3) Counts may differ from previous periods due to system updates and post-adjudicative outcomes.

4) Data is not limited by priority date for approvals.

5) Top five countries are determined by total number of receipts in FY2023 and they are India, China, the Philippines, South Korea, and Mexico.

6) This report is based on the fiscal year in which the petition was submitted to USCIS, not the fiscal year in which the petition was adjudicated. A petition may be adjudicated in a later fiscal year than it was filed. Therefore, this report is different from other reports that are based on the fiscal year in which the petition was adjudicated.
