References:

¹ The number of new applications received and entered into a case-tracking system during the reporting period.

² The number of applications approved during the reporting period.

³ The number of applications denied during the reporting period.

⁴ The number of applications awaiting a decision as of the end of the reporting period. Some actions taken on cases are not reflected in this report such as administrative closures and transfers between offices; thus the total pending counts cannot be calculated using data from previous reporting periods.

Notes:

1) Some applications approved, denied, or pending a decision may have been received in previous reporting periods.

2) The report reflects the most up-to-date estimate available at the time the database is queried.

3) Counts may differ from previous periods due to system updates and post-adjudicative outcomes.

5) Country of Designation is based on Country of Citizenship or Country of Birth at the time the application was filed.
