RECEIVED

By ESEC at 10:29 am, Oct 15, 2021

Dear Secretary Mayorkas and Secretary Walsh:

We write on behalf of the H2B Workforce Coalition. The H-2B Workforce Coalition is comprised of small and seasonal businesses across the country owned and operated by thousands of employers and their representatives from industries such as lodging, landscaping, seafood, restaurants, tourism, equine, forestry, mobile outdoor amusement, golf courses, and others. Our members are seasonal businesses that rely on the H-2B visa program to supplement their U.S. workforce during seasonal surge and peak business needs.

There is a dire shortage of seasonal labor in the U.S. and many employers must turn to the H-2B program to meet their workforce needs and not only sustain their businesses, but also provide much needed support to their American workers. Every H-2B worker supports 4.64 U.S. jobs.¹ Furthermore, a 2020 General Accountability Office report concluded that “counties with H-2B employers generally had lower unemployment rates and higher average weekly wages than counties that do not have any H-2B employers.”² The H-2B program places many requirements on employers to try and recruit U.S. workers, and our members try to find as many U.S. workers as they can.

We write today to urge you to quickly exercise the authority that Congress granted to your respective departments and release as many additional H-2B visas needed to meet the demands of American businesses around the country. PL 117-43 grants the Department of Homeland Security the authority to release additional H-2B

² United States, Congress, “H-2B VISAS: Additional Steps Needed to Meet Employers' Hiring Needs and Protect U.S. Workers.” *H-2B VISAS: Additional Steps Needed to Meet Employers' Hiring Needs and Protect U.S. Workers*, GAO-20-230; U.S. Government Accountability Office, 2020, pp. 13–14.

visas up to the highest number of returning workers who participated in the program during a single fiscal year that the returning worker program was authorized. The highest number of H-2B returning workers approved in the program's history was 64,716 in FY 2007. Given the stark workforce needs for the coming winter season, and the likely shortfalls that employers with seasonal labor needs will see next summer, we urge your Departments to exercise your authority and make half of these additional visas (32,358) available immediately. This will provide employers with winter workforce needs the ability to better handle their labor challenges, while also ensuring that H-2B employers with summer needs will have that same opportunity later this year.

American businesses are in urgent need of these workers, as evidenced by the Department of Labor (DOL) certifications approved as of October 2, 2021, DOL has certified 49,526 workers as of October 2, 2021; this is 16,526 more than the 33,000 made available for the first half of the fiscal year. In addition, there are still an additional 3,686 requested worker positions awaiting certification by DOL. This does not even take into account the applications that will be filed later in the fiscal year. For a comparison, in the FY 2021 H-2B first half cap, DOL certified a total of 55,571 worker positions.³ In this fiscal year, with nearly the whole Q1 to go, DOL has already certified or has pending for certification 53,212 worker positions, and in FY 2021 DOL certified 29,649 worker positions in Q1. If year over year numbers hold, we could see a request for first half cap positions topping 82,000 worker positions this year.

Based upon DOL's certification data this fiscal year, there is clearly an urgent need for additional H-2B visas in the first half of the fiscal year. Thus, seasonal businesses and other stakeholders were not surprised when the United States Citizenship and Immigration Services announced that the FY 2022 first half cap for the H-2B program was hit as of September 30. This marks the earliest point in time that the first half H-2B cap has ever been reached in program history. Last year, the first half cap was not reached until November 16, 2021. American businesses urgently need the additional visas to support their U.S. workforce as we recover from the economic fallout of the COVID-19 pandemic. We urge you to act swiftly and make a determination to release all of the additional visas allowed for in H.R. 5305, divided equally between the first and second half of FY 2022.

To that end, we respectfully request the administration to promptly issue a temporary final rule (TFR) in a similar manner to what was done in May 2021⁴. Workers are needed for the first half cap in several industries right now and further delay will cause irreparable harm for their seasonal businesses and their American employees. Additionally, seasonal employers continue to have a strong commitment and support for the administration's efforts to increase access to H-2B visas for Northern Triangle countries. We will continue to work with these foreign governments to streamline this process and access to foreign workers from these countries. It remains incumbent upon this administration to allocate supplemental

³ Looking at the numbers certified during Q4 2020 and Q1 2021 since DOL reports their numbers based on when the application is received, not the date of need, and employers must file with DOL between 75 and 90 days before they need workers.

⁴ *Exercise of Time Limited Authority to Increase the Fiscal Year 2021 Numerical Limitation for the H-2B Temporary Nonagricultural Worker Program and Portability Flexibility for H-2B Workers Seeking to Change Employers*. 86 FR 28198 (May 25, 2021).

visas for returning workers from *other* nations as well in order to fulfill the demand for seasonal workers, as Northern Triangle countries cannot satisfy that demand alone.

Lastly, putting in place a predictable process for the administration to utilize their Congressional authority to release supplemental H-2B visas should be a priority. As seasonal businesses face tremendous labor shortages across the nation, the prompt release of additional H-2B visas is extremely important. The release of supplemental H-2B visas should provide certainty that employers can have supplemental H-2B visas available as close to the date of need as possible. While we appreciated the release of H-2B supplemental visas on May 25, 2021, the number of visas released was woefully inadequate, and most of these workers did not start working until July when the initial date of need was April 1st. We look forward to working with the administration to improve this process.

Thank you for your consideration of this important matter and we look forward to continuing the important dialogue and assisting in any way possible.

Sincerely,

Mr. Brian Crawford
Co-Chair
H-2B Workforce Coalition
c/o American Hotel and Lodging Association
1250 Eye Street, NW, Suite 1100
Washington, DC 20005

Dear Mr. Crawford:

Thank you for your October 14, 2021 letter to the Department of Homeland Security (DHS). Secretary Mayorkas asked that I respond on his behalf.

We acknowledge your request that DHS issue a Temporary Final Rule (TFR) providing supplemental H-2B visas similar to the May 25, 2021 TFR based upon the Extending Government Funding and Delivering Emergency Assistance Act, Public Law 117-43 (September 30, 2021). DHS is reviewing the provisions in the continuing resolution (CR) to determine what authority, if any, it provides to DHS to release additional visas. DHS, together with the U.S. Department of Labor, is also assessing national unemployment rates and the need in industries affected by the H-2B cap for the first half of the fiscal year to consider what further action is appropriate. It is important to note, however, that even if the CR provision granted DHS such authority, it would provide the Department minimal time to draft and issue a TFR, for employers to submit petitions, and for U.S. Citizenship and Immigration Services (USCIS) to adjudicate them before the expiration of this authority on December 3, 2021.

Please be assured that USCIS understands the H-2B program's significance to American businesses and is committed to the efficient and lawful management of the program.

Thank you again for your letter and interest in this important issue. Please share this response with the other organizations that cosigned your letter. Should you require any additional assistance, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, reading "Ur M. Jaddou". The signature is fluid and cursive, with a long horizontal stroke at the end.

Ur M. Jaddou
Director
